**DECLARATION OF JAMES B. MYERS JR.**

Hon. Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

I, James B. Myers Jr., hereby declare as follows:

1. I am associated with the law firm of Woodard, Emhardt, Naughton, Moriarty & McNett and am an attorney for the Applicants in the above-identified patent application. I am a member of the bar of the State of Indiana and a registered patent attorney, Registration No. 42,021. I make this Declaration in support of Applicants' Petition to Make Special in the above-identified patent application.

2. The above-identified application is directed to spinal implants formed of cortical bone.

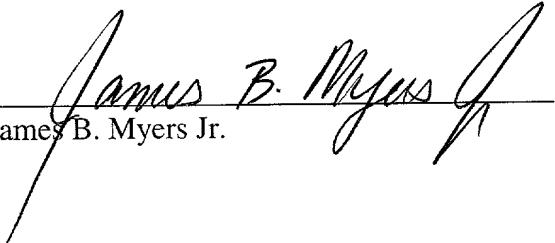

3. There is an infringing product actually on the market. Attached to this Declaration and listed as Exhibit A is a brochure by NuVasive™ which describes and illustrates an interbody fusion allograft.

4. The undersigned attorney has made a rigid comparison of the alleged infringing interbody fusion allograft illustrated in Exhibit A and, in his opinion, some of the claims are unquestionably infringed by the interbody fusion allograft.

5. A search was conducted by the International Bureau for spinal implants in the PCT applications Serial Nos. PCT/US99/25147 and PCT/US/98/17769, which are counterpart PCT applications for the U.S. patent applications to which priority is claimed. Copies of the International Search Reports are attached to this Declaration as Exhibits B and C. Additionally, Applicants are filing concurrent with this Declaration an Information Disclosure Statement and a modified Form 1449 listing patents and other documents pursuant to a duty of disclosure embodied in 37 C.F.R. § 1.56.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Date: May 30 2001
